Mayor King had copy of Ordinance of South Main to maybe use for North Main also. Mayor King asked Ron Wardell if he had anything to say, he did not want to say anything at this time just here to observe. Mayor King said this ordinance works well on South Main.

Alderman Barclay states this was discussed at length before, residence will not be allowed to park along Main Street with this ordinance. This would affect garage sales, company at each residence, Scenic Drive things such as this. Alderman Spotloe states that this would eliminate problems with pulling out of side streets, fire-hydrants and driveways in this area. Already have standard ordinance for whole town regarding these matters, why can't it be enforced by police?

Alderman Ford said maybe paint curb yellow, it would be from Cemetery to North Main.

Alderman Burget asked if fence was up yet to block view of the cars that the neighbors are looking at, per Ron Wardell, yes part of it is done.

At this time enforce present ordinance per Mayor John King. Meeting adjourned at 6:27 p.m.
